ome's view above.

- The E.P.H. dept. have not offered any remarks as to whether there is any objection to exempt the cinema till 30th April 1950 from the operation of rule 25(7) of the Places of Public Resort Rules. For orders whether they may be requested to offer their specific remarks on this point. If not, the case may be circulated to H.M.(E.&.L) and H.M.(P.H) for orders whether the cinema will be exempted from the "six months rule" for a further term till 30-4-50 as requested by the proprietor of the cinema or whether further exemption may be refused as suggested by the D.M. and as proposed in the note ~~on pp.3-4 ante~~. May be circulated for orders ~~on the note at X on pp.3-4 ante~~.

"Coondapur is a big place and there is no other cinema there. I do not know whether it is wise to stop it now. Let H.M.(Agri) see this first and say what his view is, as he knows the locality well.

In view of the difficulty in obtaining building materials, the proprietor must be given time to complete the construction of the permanent cinema hall for which he had laid the foundation. The Public of Coondapur and the Circle Congress Committee are also in favour of the extension of the period of licence. Exemption may, therefore, be granted as it has been done in the case of touring talkies in other places.
